Steak House on Top as League Reaches Half

By AL COAST

Last week saw the end of the first half of the Thursday night \$25 bowling league, in which there were some very accountable scores. And if practice makes perfect, the scores in the next half should be something to talk about. Apparently, everyone was trying to set a high mark, because 200 games were a dime a dozen, so to speak. Some of the boys who had good games were Al Coast 255, Thorpe 254, Schwartz 247, Davis 244, Clark 244, and Larry Sommers 237.

Topping the list was Coast, who fired games of 212-237-255 for high series of 704 and also leading his team, the Steak House, to a 3-to-0 shutout over Schwartz Clothiers. Capt. Ed was high for his team with 247-53. This win put the Steak House out in front by three full games.

This edge was gained by virtue of a 2-to-1 setback handed Dean's Service by Acme Beer. Dean's, are in second place. Thorpe proved to be the necessary push with a nice 254-575 series. Luce was consistent for Dean's with 201-183-191-575.

Another high series was posted by Johnnie Clark, who led Felker Di-Met to a 2-to-1 edge over Doak. Johnnie had games of 216-244-169-629, to raise his average to 185, which all goes to show that he is a very much improved bowler. Also helping for Felker, Berger, 223-582 and Davis, 244-558. As most records will show, this is pretty tough bowling for an \$25 team. L. Sommers, Sr., was high for Doak with 234-588. Moody had 556 and Hendrickson 551, but to no avail.

While all this noise was going on, Joe's Oilers had an easy time of it with the Army Hospital and took all three games. Torrey was high for Joe's with 544 and Glover helping with 543. Sgt. Reark was high for Army with 205-184-161-554.

Acme Beer	12	9

Torrance Girls' Softball Team Continues Wins

The Torrance Girls' Softball Team three times during the past week continued to maintain its winning streak, trimming Douglas Aircraft, Northrop and Avery Machine Works, and tonight will meet Western Pipe & Steel's team at Lakewood Stadium, Long Beach.

The winners Monday night scored 9-4 over Avery Machine, Gene Kasperit and Martha McEnany the battery.

Douglas Aircraft was licked 5-0 Friday night at Recreation Park, Long Beach. Lillian Faralla was in her usual good trim and hung up a home run in the third.

In the Sunday play at Torrance Park Northrop took a beating, 7-2, with Faralla again scoring a homer and Betty Hicks accounting for herself each time at the bat.

H. B. Dunn of Walteria, backer of the amazing Torrance team, declares "the girls" the strongest outfit seen in this area in several years and points to its record of beating eight men's teams out of nine starts and claiming the ninth game was lost by them only because several members were injured in a wreck.

Torrance Moose Will Help Pay For Liberty Ship

Torrance Moose lodge is getting under way with its bond campaign, and they are out to put it over and help pay for a Liberty ship, in cooperation with California Moose, according to City Clerk A. H. Bartlett, trustee of the local lodge.

The drive is a part of the California Moose \$2,000,000 campaign.

"The Moose have been thrice commended for their splendid performance in the Fourth War Loan drive," Bartlett said.

"The lodge has raised its sights and plans to pay for a Liberty ship through bond sales during the Fifth War Loan drive and arrange for the launching and christening ceremony as a part of our Long Beach convention program."

Donkey Baseball Game Scheduled For Tonight

Mirth provoking donkey baseball will be the treat tonight and Saturday night at Torrance ball park, when the Torrance police and firemen battle it out in the greatest fun game of modern times.

Action with Dale Riley, Torrance recreation supervisor, Sergeant Bill Evans of the police department has lined up teams from the police and fire departments to compete.

The fire department team, managed by Robert (Bob) Moffet, is composed of regular and auxiliary members of the local department, while the police will be augmented by members of the Army Engineering Corps, now at East Road and Normandie Ave.

To those who have never witnessed a donkey ball game, a rare treat is in store, in the novel and amusing features, Evans said. The peculiar characteristics of the burros and the excitement tend to create situations never to be encountered in any other sport, he declared.

E. E. Vance is owner of the donkeys used.

Members of the Torrance firemen's team are: Fred Beyer, Ernest Lopp, Los Steigh, Gene Held, Ben Christie, Gene Walker, Ben Smart, Ben Hannebrink, Jim Boucher, Dan Mosher, G. Pearnman, M. Stagner, R. E. O. Moffitt and Chief McMaster.

An Army Hospital team will play for the firemen on Saturday.

Building Permits

This compared with \$3,966,975 issued in May of last year, or a total of \$4,088,324 for the year at that time, the big permits involving war plant expansion in Torrance.

Permits issued during the past week were to: Merle M. Maddy, 1924 Gramercy Ave., \$150 addition; H. R. Douglas, 2252 Carson St., foundation, \$50.
